### Do It With Others, Do It With Opera

DIWO Teacher Training Course  
Palau de les Arts Reina Sofia de Valencia  
From 10th to 16th of July 2021

Co-funded by the  
Erasmus+ Programme  
of the European Union

#### SOME TIME LATER

Over a year ago, when the DIWO Project was born, no one would have ever imagined that we could only exchange our impressions online and not in person. Now that we have adapted our lives to the situation derived from the global pandemic that affects all the society, the Palau de les Arts Reina Sofia, together with the CEFIRE of Xàtiva (on behalf of the Conselleria d'Educació, Cultura i Esport, -the Cultural Regional Government of Valencia) have managed to continue with their target. To do so they have also had the collaboration of each partner in the KA201 project: Greece, Italy, Portugal, Turkey and Spain. This project -DIWO, Do it With Others, Do it With Opera- is co-financed by the Erasmus + Program of the European Union. Generating the exchange of good practices, by enhancing the professional development of every partner and its students, and at the same time assessing the cultural and educational heritage around the world of opera, are the main challenges of this project.

The DIWO Teacher Training develops itself in an optimal atmosphere of work and is located in one of the current cultural and architectural references of opera: Palau de les Arts. Being able to have professional people that can spread and nurture our partners with a significant learning will increase the intercultural dimension of all the countries and partners that will visit us in this occasion. At the same time they will have the opportunity to discover our geography, gastronomy, musical culture and folklore, native to this Mediterranean city.

## Practical Information

- Getting there

The airport is located just 8 kilometres from the centre of València, between Manises and Quart de Poblet, and is well connected to the city by public transport.

By metro, via Line 3 (red) and Line 5 (green). The station is situated on the ground floor of the arrivals hall in the Regional Terminal. Journey time to the city centre is approximately 25 minutes.

To get to the hotel (Catalonia Excelsior) you must get off at the **Xàtiva** metro stop. When you arrive to the Ayuntamiento square, you have to look for Barcelonina Street, where the hotel is located.

Metro is the best option, but you can take a taxi from the Airport to your hotel. The cost is not so expensive.

- Registration in Les Arts

Palau de les Arts Reina Sofia.

The staff and artistic access is the place where we will be waiting for you. When you are at Les Arts you have to follow the pool border, where the Access is located. Once you are there, you should ask for DIWO officer, or the Education department (Víctor Gil).

- The Hotel

There are many hotels in Valencia that will accomodate us. Valencia is a flat city, highly recommended for a walk along the river before arriving at the opera.
